

South Toe Volunteer Fire & Rescue

Dear Friends and Neighbors,

The members of South Toe Volunteer Fire & Rescue request your support. Your contribution is vital toward helping us meet the costs essential to our effectiveness and your safety. South Toe Volunteer Fire & Rescue continues to strive to provide a higher level of service to the South Toe Fire District. Your fire department is dedicated to providing a community oriented, progressive and professional service to all citizens within South Toe Township. South Toe Volunteer Fire & Rescue is an organization working entirely on a volunteer basis, providing the South Toe Township with Fire & Emergency Medical Services since 1972. We rely on your generous tax-deductible donation to continue our high level of service.

Our call volume continues to grow each year. We are responsible for fighting fires, handling medical emergencies, responding to car accidents, performing search and rescue, as well as keeping our members well trained, maintaining our equipment, and assisting with community events. The commitment and dedication of our members has never been greater in the department's 41-year history and we greatly appreciate your charitable spirit throughout the year to maintain our level of professional service provided to you.

We are seeking all sponsors to benefit South Toe Volunteer Fire & Rescue. Please complete the below form and mail to address listed below.

To our new neighbors, we would like to cordially welcome you to our community. Please help us maintain one of the best volunteer departments in the county. To our old friends, thank you for your unwavering support year after year.

To those individuals who contribute \$1000.00 or more, a permanent plaque in your honor will be displayed at the fire department to show our appreciation for your donation.

Sincerely,
Your South Toe Fire & Rescue Volunteers
